Volunteer Involvement Evening | Online

Limbless Association

Join the Limbless Association for our next Volunteer Involvement session, this time online via Zoom. This free evening event includes information from the LA team and an opportunity to hear from current LA volunteers.

You'll learn about the benefits of volunteering with the Limbless Association. We'll introduce our new VV Transitions volunteering programme, open to amputees at any stage of limb loss. You'll also hear about the training and support we offer, and the volunteer roles available in your area.

To register, scan the QR code opposite or visit the url at the top of the page and help ensure that no amputee need cope alone.
